

Sanit-caré

Keeping People Safe Everywhere

We're seamlessly connecting
the world through displays

A Digital Signage Kiosk with Dispenser for Instant Hygiene!

Logic Displays Sanit-caré, a contemporary and favorable solution for contactless sanitization, is a great way to spread health awareness to all in any public place.

Digital Display Kiosk with an Intent of Well-being!

Equipped with an advertising display with 21.5-inch IPS screen, this digital signage kiosk promotes a self-service setting and simultaneously, encourages us to keep up a healthy habit to combat against COVID-19.

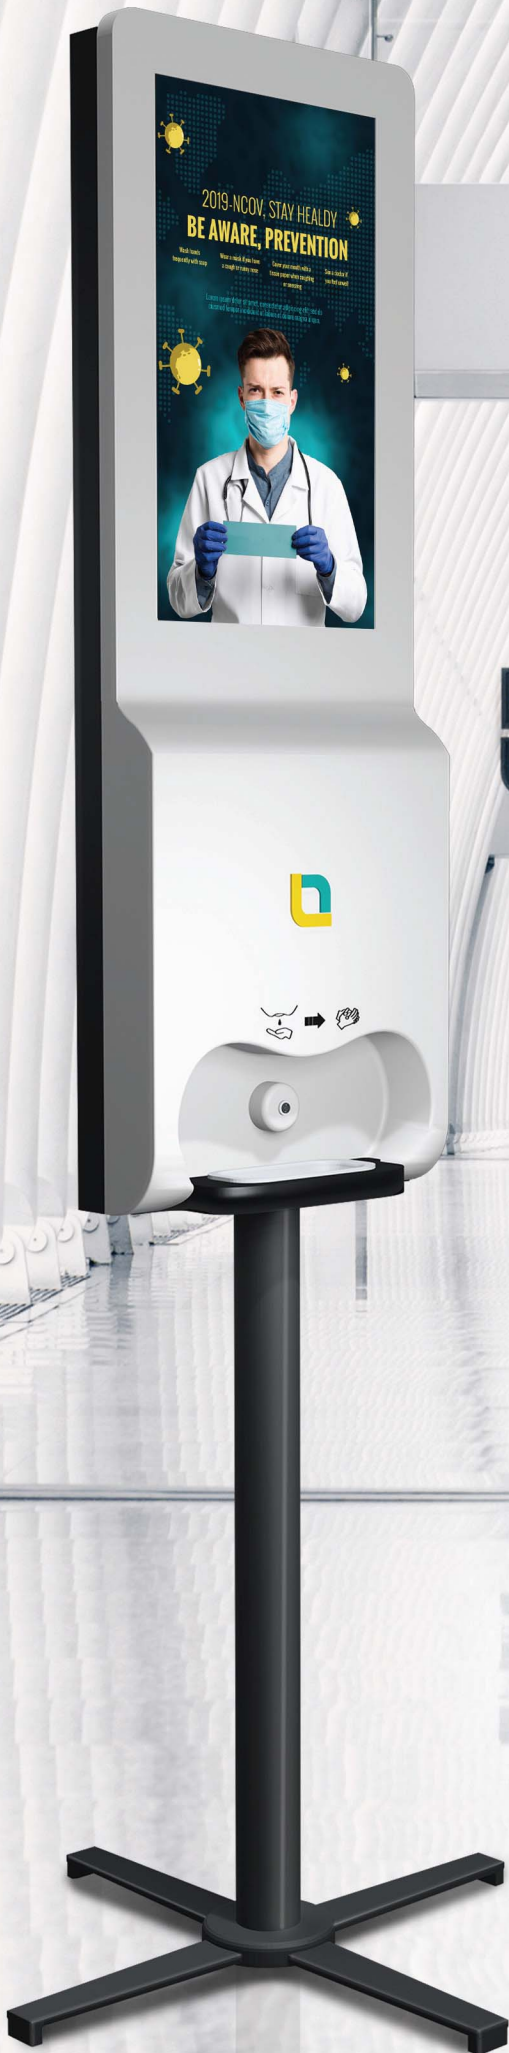

- Digital awareness to customers
- Centrally managed with real-time content uploading facility
- Advertising and product promotion

Smart & Supportive in Maintaining Hygiene!

This smart kiosk with dispenser allows us to continue a clean hand practice that leads to a healthy and hygienic lifestyle. This kiosk with auto dispenser promotes a robust approach and stops spreading contaminated virus like COVID-19.

- Contactless dispenser
- Promotes self-service environment
- Reduces cross contamination
