

TECHNOLOGY SIMPLIFIED

To Empower & Accelerate Business Growth

NETWORK TECHLAB (I) LTD.

ABOUT US

Founded in the year **1996**, Network Techlab is an established name in the System Integrator's domain for providing customized end to end Technology Solutions for an entire organizational setup.

Headquartered in **Mumbai** with branch in **Thane**

Presence in **14 Cities** across India –
Mumbai, Navi Mumbai, Thane, Pune, Nashik, Vapi, Surat, Vadodara, Ahmedabad, Bangalore, Hyderabad, Chennai, Delhi, Kolkata

Serving **Pan India** Basis

2 Global Location – **Singapore & Dubai**

7500+ satisfied **Clientele** base

**24x7
Support**

**Technically
Certified
Team**

**Strong
SLA &
Best
Uptime**

**99%
Customer
Retention
Rate**

Right from Pin to Piano, we provide all customized product, solutions & services in the Technology Domain.

Network Techlab's Solutions Portfolio	4-5
1. Critical IT Infrastructure	6
2. Cyber Security	7
3. Data Center Solutions	8
4. Thermal and Fire Safety Solutions	9
5. Networking / IoT	10
6. Multi Cloud Solutions	11
7. Physical Infra Security Solutions	12
8. Energy Efficiency & Power Solutions	13
9. Green Energy Solutions	14
10. Barcoding & Automation	15
11. Audio Visual and Lighting Solutions	16
12. Office Automation	17
13. Infra as a Service	18
14. Our Clientele	19
15. Our Alliance	20
16. Awards and Accolades	21
17. Testimonials	22-23

- Scale out NAS
- Thin client / DBaaS
- Critical Data Protection (On-Prem - Cloud SAS)
- DC-DR / Business Continuity Solutions
- Hyper Convergence Infrastructure
- Laptops / Desktops / Tablets
- Server / Object & SAN Storage

Critical IT Infrastructure

- Smart Integrated Data Center
 - Row / Cabinet / Closet / Aisle (Racks, PAC / Electric Panel / Access Control, Surveillance, Fire System, Rodent Repellant, Monitoring, BMS)
- Conventional Data Center
- DCIM (Data Center Infrastructure Management)
- Raised Floors, Racks, Structured Cabling
- BMS (Building Management System)
- Electrical Panel, Generator, ATS
- Precision AC
- IPDU, KVM, Serial Console
- Access Control, Security
- Intelligent Monitoring (Temperature, Humidity, WLD, Smoke, Motion, PUE)
- Fire Systems

Data Center Solutions

- Public Cloud (AWS, Azure, IBM, Google)
- Private Cloud Solution (HCI, Virtualization)
- Hybrid Cloud Deployment
- Multi-cloud Governance
- Automation & Orchestration
- HCI in Cloud

Multi Cloud Solutions

Infrastructure with IoT, Monitoring, Management, Automation, Analytics, Control, Cloud & Security

Cyber Security

- Modern Perimeter Security
- Enterprise Security (Visibility - Detect & Protect)
- Advance Endpoint & Email Security
- DevSecOps - (Shift - left Security)
- Containers & Serverless Security
- Security Operation Center - (SOC)
- Secure Access Service Edge (SASE), ZTNA
- Micro-segmentation
- Vulnerability Visibility / VAPT
- Patch Management & Compliance
- Cloud Security (Visibility, Governance & Compliance)

Networking / IoT

- Data Center Networking
- Campus Networking
- Optical Fiber Solutions
- Network Management
- Enterprise Wireless Networking
- Smart Digital Workplace
- Wi-Fi 6 & 5G Networks
- Wi-Fi Audit / Survey
- Secured SD-WAN
- Enterprise IoT Solutions

Physical Infra Security Solutions

- CCTV, Video Surveillance & Analytics
- Time, Attendance & Access Control Face Recognition, Boom Barrier, Turnstile, Parking Management
- VAMS (Visitor Authentication Management Solution)
- Data Center Cabling Solution
- Structured Cabling Solution
- PA System
- Fire Detection & Alert Solutions
- EPABX
- Meeting Room Solutions
- Video Door Phone Solutions for Multi apartments

- Wires & Cables
- Switchgear & Electrical Panel
- Capacitor, APFC Panel
- UPS, Inverter, Battery
- Lithium ION Battery
- Battery Monitoring System
- SPD, TVSS, Stabilizer
- Lightning Arrester
- Generator, ATS
- Passive & Active Filter
- DC Power
- LED Lighting Solutions
- Energy Meter, EMS, DCS
- Power Quality Analysis
- Energy Audit / Thermography

Energy Efficiency & Power Solutions

- PAC (Precision Air Conditioning) - (24x7)
- SRC Industrial - (24x7)
- HVAC, VRV, Split AC
- Chiller
- Fire Alarm System (Addressable & Conventional)
- VESDA System
- Fire Extinguishers
- Tube Based Gas Suppression System for Rack & Panels
- NOVEC 1230 based Fire Suppression
- Sprinklers, Smoke Detectors

Thermal and Fire Safety Solutions

- Content Management System
- Boardroom/Meeting Room Solutions
- LED Signage
- Smart Signage, Monitor, Videowalls
- Audio Video Solutions
- PA System / BGM (Background Music)
- Command Center
- Training Room, Auditoriums Solutions
- Video Conferencing
- Lighting Solutions
- Active LED Wall

Audio Visual and Lighting Solutions

Infrastructure with IoT, Monitoring, Management, Automation, Analytics, Control, Cloud & Security

Green Energy Solutions

- Solar Panels
- Solar Battery
- Solar Inverters
- On-grid Solar System
- Off-grid Solar System
- Hybrid Solar System
- Solar Street Lights
- Wind Energy Solutions
- Capex Solar System
- Opex Solar System

Barcoding & Automation

- POS Machine (Point of Sale Machine)
- Barcode Printers & Scanners
- Label Printers
- RFID (Radio Frequency Identification) Solutions
- BLE (Bluetooth Low Energy)
- Inventory Management
- Warehouse Management
- Asset Management
- Consumables (labels, ribbons, stickers etc.)
- Robotics

Office Automation

- Large format Printers / Plotters
- Large Format Scanners
- Consumables of Printers and Scanners
- Printer, Plotter, MFP
- Multifunction Copiers
- DR Scanner, Cheque Scanner
- Managed Print Services
- Print Tracking Solutions
- Scanning Solutions
- Document Management Solutions
- Projectors

Infra as a Service

- Laptops & Desktops
- Workstation
- Servers & Storage
- Apple Products
- Printers, Photocopiers & Scanners
- Firewalls, Switches & Routers
- UPS & Batteries
- Projectors & Screens
- Display & Audio Solutions
- Barcode Printer & Scanners
- Wi-Fi: Conference & Networking
- CCTV

1. Critical IT Infrastructure

Modernize Your IT Infra, Deliver Better Performance

Reduce IT complexities and modernize your technology for business critical applications. Move to faster workload from Physical Servers to Modern Data Protection to Hyper on Cloud, Network Techlab is ready to support you in all the aspects.

- Server / Object & SAN Storage
- Laptops / Desktops / Tablets
- Hyper Convergence Infrastructure
- DC-DR / Business Continuity Solutions
- Critical Data Protection (On-Prem - Cloud SAS)
- Scale out NAS
- Thin client / DBaaS

2. Cyber Security

Delivering Top Speed, Reliable Security For Your Businesses

Traditionally, Security was observed as 'critical' and 'confidential'. But with time Security is now 'simple' and 'faster'. We are helping businesses with reliable Security Solutions for enhanced output at a lightning speed; for you to further concentrate on what matters that are with the lowest downtime.

- Modern Perimeter Security
- Enterprise Security (Visibility - Detect & Protect)
- Cloud Security (Visibility, Governance & Compliance)
- Advance Endpoint & Email Security
- DevSecOps - (Shift - left Security)
- Patch Management & Compliance
- Containers & Serverless Security
- Security Operation Center (SOC) Solutions
- Secure Access Service Edge (SASE), ZTNA
- Micro-segmentation
- Vulnerability Visibility / VAPT

3. Data Center Solutions

Extend IT Deployment With Edge Data Center

We provide end-to-end Data Center solutions to help enterprise, service provider and cloud Data Centers increase bandwidth to become more efficient. We have expertise in all the areas delivering the solutions for building a highly efficient optimally performing Data Center.

- **Smart Integrated Data Center**
 - Row / Cabinet / Closet / Aisle
(Racks, PAC / Electric Panel / Access Control, Surveillance, Fire System, Rodent Repellant, Monitoring, BMS)
- **Conventional Data Center**
- **DCIM (Data Center Infrastructure Management)**
- **Raised Floors, Racks, Structured Cabling**
- **Electrical Panel, Generator, ATS**
- **Fire Systems**
- **Precision AC**
- **IPDU, KVM, Serial Console**
- **BMS (Building Management System)**
- **Other Allied Activity**
 - Data Centre Assessment
 - Data Centre Deep Cleaning
- **Data Centre Allied Activity**
 - Data Center Containment
 - Future Ready- Containerized Data center
- **Access Control, Security**
- **Intelligent Monitoring**
(Temperature, Humidity, WLD, Smoke Motion, PUE)

4. Thermal and Fire Safety Solutions

Your IT and Infra Safety is our first priority

Your mission-critical facilities need the very best in class Precision Cooling Air Conditioner. We deliver industry's most advanced Thermal Equipment's. Protect your business premises from fire events with our fire safety and security solutions.

- PAC (Precision Air Conditioning) - (24x7)
- SRC Industrial - (24x7)
- HVAC, VRV, Split AC
- Chiller
- Fire Alarm System (Addressable & Conventional)
- VESDA System
- Fire Extinguishers
- Tube Based Gas Suppression System for Rack & Panels
- NOVEC 1230 based Fire Suppression
- Sprinklers, Smoke Detectors

5. Networking / IoT

Extend Capabilities With Seamless Connectivity

Today's world is data driven by IoT, OT and AI. World is built on the Automation and we provide Power to that Automation by providing actionable insights and seamless Connectivity. We provide solutions that extend the capabilities and give actionable insights.

- Data Center Networking
- Campus Networking
- Optical Fiber Solutions
- Network Management
- Enterprise Wireless Networking
- Smart Digital Workplace
- Wi-Fi 6 & 5G Networks
- Wi-Fi Audit / Survey
- Secured SD-WAN
- Enterprise IoT Solutions

6. Multi Cloud Solutions

Your Cloud Journey Is Ours Too

Most of the organization are operated with the Cloud today but only a handful have been able to optimize their Cloud strategy correctly. We at Network Techlab help you to onboard, manage, perform and achieve the Cloud objectives efficiently.

- Public Cloud (AWS, Azure, IBM, Google)
- Private Cloud Solution (HCI, Virtualization)
- Hybrid Cloud Deployment
- Multi-cloud Governance
- Automation & Orchestration
- HCI in Cloud

7. Physical Infra Security Solutions

Comprehensive Security Delivered

Guarding a perimeter of your building, providing access to visitors and authorized personnel or to prevent from a natural or imitated disaster, we know the risks behind these challenges. We help you to safeguard your business from wildcats and vulnerability.

- CCTV, Video Surveillance & Analytics
- Time, Attendance & Access Control Face Recognition, Boom Barrier, Turnstile, Parking Management
- VAMS (Visitor Authentication Management Solution)
- Data Center Cabling Solution
- Structured Cabling Solution
- PA System
- Fire Detection & Alert Solutions
- EPABX
- Meeting Room Solutions
- Video Door Phone Solutions for Multi apartments

8. Energy Efficiency & Power Solutions

To Main Zero Downtime and Business Continuity

We provide end to end solutions for uninterrupted operations in your organisation which comprises but not limited to Power Management, Energy Efficiency and many more.

- Switchgear & Electrical Panel
- Capacitor, APFC Panel
- UPS, Inverter, Battery
- Lithium ION Battery
- Battery Monitoring System
- SPD, TVSS, Stabilizer
- Lightning Arrester
- Generator, ATS
- Passive & Active Filter
- DC Power
- LED Lighting Solutions
- Energy Meter, EMS, DCS
- Power Quality Analysis
- Energy Audit / Thermography
- Wires & Cables

9. Green Energy Solutions

Save Energy and Save Cost

Green Energy Solutions from NTIL aims at reducing non-renewable energy usage and costs that is an efficient way of ensuring natural resources are not depleted at an astronomical rate.

- Solar Panels
- Solar Battery
- Solar Inverters
- On-grid Solar System
- Off-grid Solar System
- Hybrid Solar System
- Solar Street Lights
- Wind Energy Solutions
- Capex Solar System
- Opex Solar System

10. Barcoding & Automation

Now eliminate the possibility of human errors

It is difficult to manually keep track of incoming & outgoing stocks. Barcodes and automation allows to save time, money and lost assets. With complete implemented, it will help to improve your business productivity.

- POS Machine (Point of Sale Machine)
- Barcode Printers & Scanners
- Label Printers
- RFID (Radio Frequency Identification) Solutions
- BLE (Bluetooth Low Energy)
- Inventory Mangement
- Warehouse Management
- Asset Management
- Consumables (labels, ribbons, stickers etc.)
- Robotics

11. Audio Visual and Lighting Solutions

Transform your Business Communication

We provide next-gen technologically advanced Audio Visual and Lighting Solutions and Services which helping your business enhance business operations with ease.

- Boardroom/Meeting Room Solutions
- LED Signage
- Smart Signage, Monitor, Videowalls
- Active LED Wall
- Audio Video Solutions
- PA System / BGM (Background Music)
- Command Center
- Training Room, Auditoriums Solutions
- Video Conferencing
- Content Management System
- Lighting Solutions

12. Office Automation

Accomplish multiple tasks faster

We provide plethora of Office Automation solutions which are the combination of Hardware, Software, and Network Connection. These are specially made available to simplify and automate a variety of Office operations of your business.

- Large format Printers / Plotters
- Large Format Scanners
- Consumables of Printers and Scanners
- Printer, Plotter, MFP
- Multifunction Copiers
- DR Scanner, Cheque Scanner
- Managed Print Services
- Print Tracking Solutions
- Scanning Solutions
- Document Management Solutions
- Projectors
- WMS and HMS Solutions

13. Infra as a Service

Minimize Costs by Renting IT equipments

NTIL is one of the prominent organization in providing variety of solutions on Rent and has majorly attracted the attention of B2B clients looking for options to rent Products/Solutions on short-term or long-term basis.

Right from Pin to Piano we provide everything on Rent. Inspite of locking your capital funds in purchasing products and solutions for your business, always think for a feasible option to rent.

- Laptops & Desktops
- Workstation
- Servers & Storages
- Apple Products
- Printers, Photocopiers & Scanners
- Firewalls, Switches & Routers
- UPS & Batteries
- Projectors & Screens
- Display & Audio Solutions
- Barcode Printer & Scanners
- Wi-Fi: Conference & Networking
- CCTV

Testimonials

TATA International Limited

"As one of our crucial client and brand connected with NTL. We always look for various IT solution and services from them. We have been hired Laptops on rental basis from rental division thoroughly. Thank you for support from Network Techlab. We thanks for taking necessary measures for smooth delivery in challenging conditions."

Justdial Ltd.

"For a company that never stops attending customers, we needed a solid service Provider who would be ready to solve our queries at the drop of a hat... and keep us going uninterrupted. Network Techlab's 24*7*365 services truly delivers what it promises."

P.N.Writer

"Network Techlab's customized approach to providing solutions and the experienced staff helped us integrate our diverse business operations and enabled us to provide the best and timely services to our customers."

DMart

"We appreciate the professional approach and the support provided by Network Techlab India Ltd and special thanks to their engineers who has given prompt support all the time. We are sure that they will maintain their service level in the future aspects as well."

Nhava Sheva Freeport Terminal

**NHAVA SHEVA
FREEPORT TERMINAL**

"Great work done by Team Network Techlab. Smooth Implementation and extended support beyond your territory, during for our critical server implementation. Detailed documentation and the quality of the work that you have delivered is recommendable. We appreciate your work and it's been appreciated by our team in France. Keep rocking with the same energy, and commitment and create more success stories in upcoming projects."

GP Parsik Sahakari Bank Ltd

"Network Techlab's AtmosSecure SOC delivers a wonderful experience and gives us a holistic view of our important security events in a single consolidated dashboard. This enables our security team to do threat hunting more effectively than earlier. Support from AtmosSecure SOC Teams takes us towards our objective of finding the root cause of an incident and in-depth threat analysis. Integration with other third-party tool and visibility makes an AtmosSecure a great product. Their Managed SOC Service enables Automatic real-time threat containment and elimination. We wish them good luck to carry a great customer experience in the future too."

Mazagon Dock Shipbuilders Limited

"Network Techlab has successfully completed Design Datacenter Augmentation Work. We would like to take this opportunity to express our appreciation for this project and strongly encourage to keep up the excellent work and wishing you all success in your future projects."
